

Membership

Your membership dollars help ensure that the Brain Injury Association of SC continues to provide support groups, legislative advocacy, education, and information to those who have experienced brain injury, and their families and support systems. As a paid member, you will receive discounts on events, workshops and conferences. Benefits included in your membership are listed below.

Survivor and Family Member Benefits: BIASC annual newsletter, *Headlights*, BIASC statewide conference registration discount, BIASC support group news and legislative updates, the BIAA quarterly newsletter *The Challenge*, automatic enrollment in BIAA Policy Corner, periodic notice of BIAA programs, services, and products.

Friends of BIASC: Nonprofessional membership includes same benefits as Survivor and Family Member Benefits above.

Professional Member Benefits: Include the benefits of survivors and family members, plus an annual subscription to the Journal of Head Trauma Rehabilitation.

Agency Membership: Any agency interested in BIASC professional membership for 2 or more employees are welcome to purchase an Agency Membership. Agencies receive a discount for multiple professional memberships. Professionals included in the agency membership will receive all the benefits afforded them as a BIASC professional member. Contact BIASC for agency membership form.
